

To whom it may concern:

I am writing to you to express my deep concern with the FCC decision to review the media cross-ownership ban.

It is extremely important in a democratic society for the people to have access to numerous, varied media outlets. This is the only way to keep the majority of the citizens accurately informed of the news of the day.

There is already a disturbing trend of big media consolidation and my fear is that the repeal of the cross-ownership ban would only serve to restrict the ability of the average citizen to receive an unbiased, fair, and accurate report of the day's events.

Thank you.
